HMC points awaited

Message from the Organising Secretary

Welcome to Fetal Dialogues 2026

(Where knowledge meets dialogue, and dialogue leads to better outcomes.)

Dr. Shreyasi Sharma

It gives me immense pleasure to welcome you to the inaugural edition of **Fetal Dialogues 2026** - a meeting born from the belief that the future of fetal care lies not only in advancing knowledge, but in sharing it, questioning it, and translating it into better clinical practice.

Organised by the Fetal Medicine & Genetics Centre, Gurgaon and Motherhood Hospitals, Gurgaon, this edition brings together leading experts, practising clinicians and young professionals for two days of focused academic dialogue and practical learning.

The last decade has been transformative for Fetal Medicine, imaging and genetics. As our ability to see, understand and intervene before birth continues to evolve, so does the need to continually refine our skills and embrace newer approaches to prenatal care. Some of its most challenging areas - multiple pregnancies, fetal growth restriction and complex fetal imaging - remain dynamic and ever-evolving, while advances in genetics are reshaping the way we counsel, diagnose and care for families.

This year's program explores:

- Multiple Pregnancies
- Fetal Growth Restriction
- Newer Advances in Fetal Medicine & Fetal Imaging
- Advances in Genetics

Through workshops, case-based sessions, live demonstrations and interactive discussions, we aim to create a space where experience meets evidence, expertise meets curiosity - and every dialogue has the potential to change an outcome.

As we begin this journey with our inaugural edition, we hope Fetal Dialogues will grow into a platform for sharing what we know, questioning what we do, and exploring what lies ahead. A space where experience and new ideas come together, and where each edition builds on the one before it.

Join us on **3rd & 4th October 2026** at **The Leela Ambience, Gurgaon, Delhi NCR**, and let's begin this journey together.

CONFERENCE HIGHLIGHTS:

- **Multiple pregnancies**
- **Fetal Growth Restriction**
- **Newer advances in Fetal Medicine and Fetal Imaging**
- **Advances in Genetics**
- **Complex Cardiac Defects**
- **Neurosonography**

Dedicated Workshops

Live Demos

Real Case Scenarios

DEEP DIVE INTO MULTIPLE PREGNANCIES

(Dedicated Session)

FETAL
DIALOGUES
2026

Prof. Asma Khalil
(U.K.)

Dr. Shreyasi Sharma

Dr. Anita Kaul

Dr. Chanchal Singh

SESSION HIGHLIGHTS-

- Are we screening twins right?
- Can chorionicity be atypical?
- Do twins need their own growth charts?
- FGR in twins: has the definition changed?
- The difficult monochorionic twin: guidance for difficult decisions
- One dies, one survives: caring for the surviving twin

Conveners:

Dr. Preety Aggarwal,

Dr. Sonal Singhal

Conference Registration

Inclusive of Doppler Workshop

Category	Early Bird (Till 7 th Sept 2026)	Regular Till (8 th Sept to 30 th Sept 2026)	Onspot
Delegate	₹6,000	₹8,000	₹10,000
PG Student	₹5,000	₹6,500	₹7,500
Banquet Registration			
Single	₹2,500	N/A	N/A
Couple	₹4,000	N/A	N/A

Workshops

Category	Fee
Doppler workshop	included in conference
Neurosonography workshop	₹2,800
Navigating Complex cardiac defects	₹2,800
Genetics and Fertility- decoding the journey	₹1,200
3D/4D Beyond the basics	₹1,500
Neonatology workshop	included in conference

DOPPLER WORKSHOP

(Seeing, measuring and interpreting)

FETAL
DIALOGUES
2026

Faculty

Prof. Asma Khalil
(U.K)

Dr. Shreyasi Sharma

Dr. Chanchal Singh

Dr. Rachna

Conveners:

Dr. Saloni

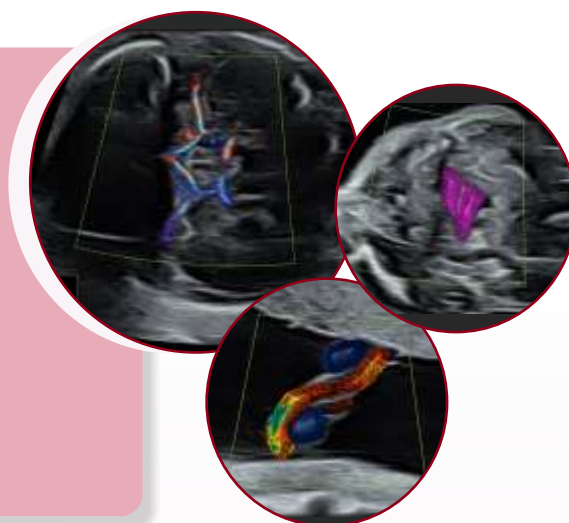

Dr. Navya

Dr. Shweta Wazir

HIGHLIGHTS-

- Are we measuring or understanding?
- What are we doing wrong?
- Live demo: new tech, new insights
- The ophthalmic artery: new tool or new hype?
- Abnormal doppler in an AGA fetus - how is that possible?
- From waveform to decisions - case scenarios

Conference Registration

Inclusive of Doppler Workshop

Category	Early Bird (Till 7 th Sept 2026)	Regular Till (8 th Sept to 30 th Sept 2026)	Onspot
Delegate	₹6,000	₹8,000	₹10,000
PG Student	₹5,000	₹6,500	₹7,500
Banquet Registration			
Single	₹2,500	N/A	N/A
Couple	₹4,000	N/A	N/A

Workshops

Category	Fee
Doppler workshop	included in conference
Neurosonography workshop	₹2,800
Navigating Complex cardiac defects	₹2,800
Genetics and Fertility- decoding the journey	₹1,200
3D/4D Beyond the basics	₹1,500
Neonatology workshop	included in conference

NEUROSONOGRAPHY WORKSHOP

FETAL
DIALOGUES
2026

Faculty

Prof. Asma Khalil
(U.K)

Dr. Shreyasi Sharma

Dr. Chanchal Singh

Dr. Piyush Goyal

Dr. Rachna

Conveners:

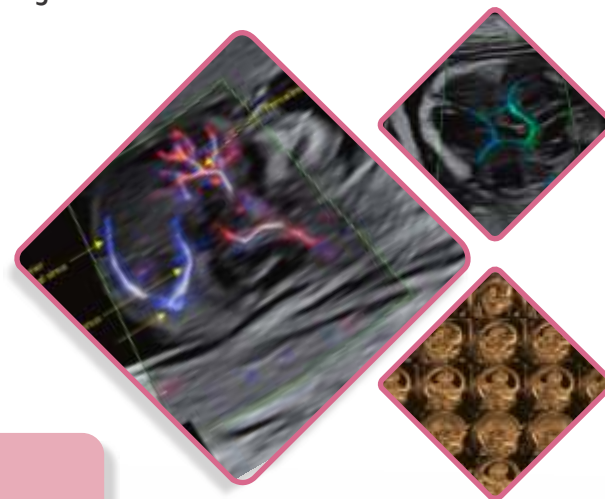

Dr Sandeep Yadav

Dr Siddhesh Pandey

Dr Radhika

HIGHLIGHTS-

- Learning the approach from an expert fetal brain: where do you start?
- Neurosonography is first trimester - is it even possible?
- Understanding brain through 3D/ 4D
- The posterior fossa: do we look closely enough?
- When the brain looks different: now what?
- Refining care: Finding → Diagnosis → Genetics → Counselling → Management

Conference Registration

Inclusive of Doppler Workshop

Category	Early Bird (Till 7 th Sept 2026)	Regular Till (8 th Sept to 30 th Sept 2026)	Onspot
Delegate	₹6,000	₹8,000	₹10,000
PG Student	₹5,000	₹6,500	₹7,500
Banquet Registration			
Single	₹2,500	N/A	N/A
Couple	₹4,000	N/A	N/A

Workshops

Category	Fee
Doppler workshop	included in conference
Neurosonography workshop	₹2,800
Navigating Complex cardiac defects	₹2,800
Genetics and Fertility- decoding the journey	₹1,200
3D/4D Beyond the basics	₹1,500
Neonatology workshop	included in conference

GENETICS AND FERTILITY: DECODING THE JOURNEY

FETAL
DIALOGUES
— 2026 —

(Genetic testing before IVF: too much, too little or just right?)

Faculty

Dr Seema Thakur

Dr Veronica

Conveners:

Dr Meenu Handa

Dr Tarang Yadau

HIGHLIGHTS-

- When should genetics enter the fertility journey?
- Recurrent pregnancy loss: how much genetics is enough?
- The couple is young. can genetics still be the problem?
- PGT: who really benefits?
- Mosaic embryos: transfer or discard?
- Variants of uncertain significance: should we act?
- Donor gametes: whose genetics are we talking about?
- Carrier screening - who should we test?

Conference Registration

Inclusive of Doppler Workshop

Category	Early Bird (Till 7 th Sept 2026)	Regular Till (8 th Sept to 30 th Sept 2026)	Onspot
Delegate	₹6,000	₹8,000	₹10,000
PG Student	₹5,000	₹6,500	₹7,500
Banquet Registration			
Single	₹2,500	N/A	N/A
Couple	₹4,000	N/A	N/A

Workshops

Category	Fee
Doppler workshop	included in conference
Neurosonography workshop	₹2,800
Navigating Complex cardiac defects	₹2,800
Genetics and Fertility- decoding the journey	₹1,200
3D/4D Beyond the basics	₹1,500
Neonatology workshop	included in conference

NAVIGATING COMPLEX CARDIAC DEFECTS

FETAL
DIALOGUES
2026

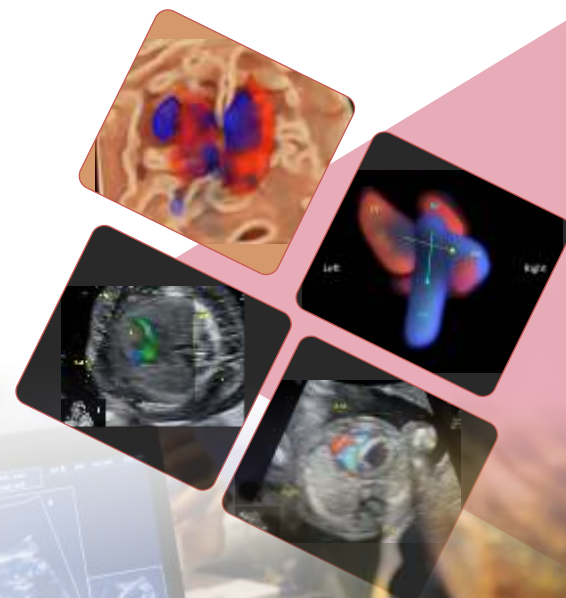

Dr. Vivek Kashyap

Dr. Uruashi

HIGHLIGHTS-

- Beyond the four chamber view: are we looking systematically?
- The difficult outflow tract - where do we get stuck?
- The small left heart - HLHS, coarctation or borderline?
- OPUS based learning
- 3D/ 4D USG (STIC) - game changer or just another tool
- When heart looks abnormal - where does genetics fit?
- Abnormal heart - what to tell prospective parents?

Conference Registration

Inclusive of Doppler Workshop

Category	Early Bird (Till 7 th Sept 2026)	Regular Till (8 th Sept to 30 th Sept 2026)	Onspot
Delegate	₹6,000	₹8,000	₹10,000
PG Student	₹5,000	₹6,500	₹7,500
Banquet Registration			
Single	₹2,500	N/A	N/A
Couple	₹4,000	N/A	N/A

Workshops

Category	Fee
Doppler workshop	included in conference
Neurosonography workshop	₹2,800
Navigating Complex cardiac defects	₹2,800
Genetics and Fertility- decoding the journey	₹1,200
3D/4D Beyond the basics	₹1,500
Neonatology workshop	included in conference

3D/ 4D - BEYOND THE BASICS

(Fetal and Gynae imaging)

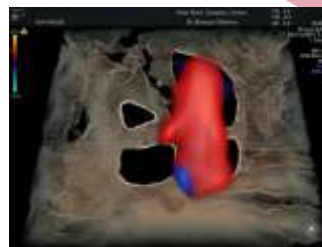

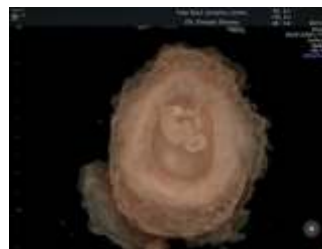

FETAL
DIALOGUES
2026

Dr. Nupur Shah

Dr. Alok Varshney

HIGHLIGHTS-

- Understanding new tech
- Fetal Face - beyond aesthetics
- Heart - Decoding STIC
- Brain - techniques to demystify
- Spine - the difficult spine
- Gynae - the perfect rendering and beyond

Conference Registration

AI IN NEONATOLOGY

ASK • ANALYSE • CREATE • VERIFY

FETAL
DIALOGUES
2026

Faculty

Dr Sanjay Wazir

Conveners:

Dr Shelly Gupta

Dr Madhuri Jhanwar

HIGHLIGHTS-

- Learn to ask AI the right clinical question
- AI-assisted clinical reasoning through real neonatal scenarios
- Create smarter handovers, discharge summaries, parent communication and bedside protocols
- From a clinical problem to PICO, QI project, abstract or presentation
- Can you spot hallucinations, bias, fabricated references and unsafe advice?
- AI challenge: Can you outthink AI?

Conference Registration

Inclusive of Doppler Workshop

Category	Early Bird (Till 7 th Sept 2026)	Regular Till (8 th Sept to 30 th Sept 2026)	Onspot
Delegate	₹6,000	₹8,000	₹10,000
PG Student	₹5,000	₹6,500	₹7,500
Banquet Registration			
Single	₹2,500	N/A	N/A
Couple	₹4,000	N/A	N/A

Workshops

Category	Fee

ABSTRACT INFORMATION

Abstracts & Research — Share. Present. Get Recognised.

FETAL
DIALOGUES
— 2026 —

Submit your research or abstract and get the opportunity to present your work before a panel of experts.

The deadline for abstracts submission is:
20th Sept 2026

Themes:

Multiple Pregnancies,
Newer Advances in Fetal Medicine & Fetal Imaging
Fetal Growth Restriction

Outstanding submissions will be recognized and awarded.

Convenors:

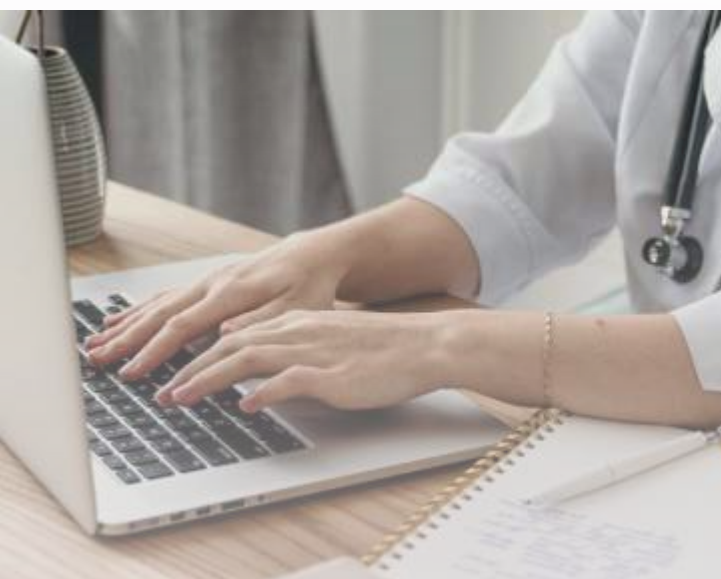

Dr Apoorva Reddy

Dr Suboohi Rizvi

Dr Kusum Bhardwaj

HURRY! Submit Now!

Submit your Abstract

SUBMISSION RULES

- Abstracts must contain original scientific data collected by the author(s).
- All abstracts are to be written in English.
- Submission: all abstracts must be submitted via the Online Abstract Portal.
- Abstracts should be limited to a maximum of 250 words.
- if you have any additional queries, please contact: info@fetaldialogues.com

For abstract related Enquiry: +91-9873808981

Scientific Program

Day-1, Saturday, 3rd Oct 2026

Time	Topics
9.00 – 9.10	Welcome Address
Session	DOPPLER WORKSHOP - Seeing Measuring and Interpreting
9.10 – 9.20	Quiz – Where do we stand?
9.20 – 9.55	Acquiring Dopplers – Have we mastered the technique?
9.20 – 9.40	What are we doing wrong? (Umbilical, Ductus, MCA, Uterine dopplers)
9.40 – 9.55	Ophthalmic artery, new tool or new hype
9.55 – 10.30	Live Demo / Video Presentation
	Conventional & Beyond – Translating to practice, from basics to new tech
Session	From Waveform to decision – dopplers across clinical spectrum
10.30 – 10.50	FGR – Decision making – ISUOG Way
10.50 – 11.30	From the clinics – Cases, open house, common challenging and unique scenarios
11.30 – 11.40	Tea / Coffee
Session	All about multiples
11.40 – 11.50	Quiz
11.50 – 12.30	cfDNA screening in twins – accuracy and constraints
12.30 – 12.50	1. Aneuploidy screening in multiples. Challenges, choices and the Indian context
12.50 – 01.10	Pre-eclampsia in twins; how different is it from singletons
01.10 – 02.00	Panel Discussion – two fetuses, two stories, navigating discordance in multiples
02.00 – 02.45	Lunch
02.45 – 03.05	Selective FGR. The right chart the right call
03.05 – 03.20	Monochorionic, Monoamniotic twins
03.20 – 03.40	Treating TTTS. Fundamentals of fetoscopy
03.40 – 04.10	From the clinics – Cases, open house
04.10 – 04.30	Fetal Reduction / selective termination in multiple pregnancies
04.30 – 04.50	1. Fetal demise in twins. Single and twin demise
04.50 – 05.30	Cases and audience interaction
05.00 – 06.30	Hall B - Workshop Genetics and fertility – Decoding the journey
05.00 – 06.30	Neurosurgery Workshop
07.00 – 10.30	Banquet

Day-2, Sunday, 4th Oct 2026

Time	Topics
10.00 – 11.30	Hall B - AI in Neonatology
11.30 – 01.00	3D/4D Workshop
	Sessions in Hall A
08.30 – 09.45	Paper presentation
09.45 – 09.55	Break
Session	Contemporary trends. Contemporary care
09.55 – 10.15	1. Carrier screening, where should we draw the line?
10.15 – 10.35	Genetics in Fetal medicine; A decade of transformation and things to look forward
10.35 – 10.55	Fetal Growth Restriction – Global perspective and emerging AI frontiers
10.55 – 11.20	1. Fetal growth restriction. Beyond utero placental insufficiency
11.20 – 11.30	Tea / Coffee
11.30 – 11.50	Evolving scope of First trimester. Is brain and cardiac assessment possible
11.50 – 12.10	Neurosonography – Essentials for obstetricians
12.10 – 12.25	POCUS in Obstetrics. What do you need to know?
12.25 – 01.00	Panel Discussion – Fetal infections, where do we stand
01.00 – 02.00	Panel Discussion - Third trimester surprises; when teams need to think together
02.00 – 02.45	Lunch
02.45 – 03.45	Best cases, big lessons
03.45 – 04.00	Prize distribution and valedictory
02.45 – 04.30	Hall B - Echo Workshop. Navigating complex cardiac defects
